American Exodus: Climate Change and the Coming Flight for Survival

By Giles Slade

New Society Publishers. Paperback. Book Condition: new. BRAND NEW, American Exodus: Climate Change and the Coming Flight for Survival, Giles Slade, Some scientists predict the sea will rise one and a half meters before 2100, but rapidly melting polar ice caps could make the real amount much higher. In the coming century, intensifying storms will batter our coasts, and droughts and heat events will be annual threats. All this will occur as population grows, and declining water resources desiccate agriculture. What will happen when the United States cannot provide food or fresh water for the overheated, overcrowded cities where 80 percent of Americans currently live? The good news is that this overall decline of habitability in the mid-latitudes will be matched by increases in the carrying capacity of sparsely populated lands above the 49th parallel. This phenomenon suggests that waves of environmental refugees will travel poleward as southern conditions worsen. Our northern lands are our Noah's ark--a vital refuge against the moment of mankind's greatest need. In this compelling cautionary work, Giles Slade argues that we are entering a long period of global desperation which will be characterized by human migration on an unprecedented scale. American Exodus is a frighteningly...
