## WILDFLOWERS OF THE COASTAL PLAIN: A FIELD GUIDE

Louisiana State University Press. Paperback / softback. Book Condition: new. BRAND NEW, Wildflowers of the Coastal Plain: A Field Guide, Ray Neyland, Wildflowers of the Coastal Plain provides detailed information on 535 species of herbaceous plants, vines, and shrubs that inhabit the great floristic provinces of the United States the Lower Mississippi Valley, Gulf and Atlantic Coastal States. Entries are arranged alphabetically by family and scientific name, and are accompanied by a vivid color photograph of the wildflower in its natural setting and a precise description of the species, including its range and blooming time. Some entries describe modern and historical applications for the plantssuch as use by Native Americans for food or medicineand mention closely related species to prevent confusion in identification. The volumes simplified glossary and series of line drawings explain essential botanical terms. Dichotomous keys facilitate step-by-step identification methods, allowing readers to begin with what they knowa flowers colorand then follow a process of elimination (Is the plant aquatic or not? Are the leaves fan shaped or linear?). A sturdy, flexible cover makes this guide the perfect companion for outdoor excursions. With its beautiful color photographs, instructive descriptions, and wide-ranging geographic scope, Wildflowers of the Coastal Plain presents an exceptional reference for every nature and wildflower lover.
