Beginnings in Agriculture (Classic Reprint) (Paperback)

By Albert Russell Mann

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Beginnings in Agriculture This book is designed for the purpose of introducing the study of agriculture into the seventh and eighth grades of our elementary schools. It may also meet a need in some of the smaller high-schools and in ungraded special and private schools. When the pupil comes to well-developed high-school work, he will need a more detailed and specific text. The book is founded on the suggestions in the Report of the Committee on Industrial Education in Schools for Rural Communities, of the National Educational Association. That Committee recommended for the school years 6 to 8, four sets of subjects as follows: first half year, the affairs of agriculture; second half year, the soil; second year, farming schemes and crops; third year, animals. A condensation of this plan into a two-year scheme has been attempted in the present volume. It has been the aim of the author to cover the work very largely in a nature-study spirit, by which it is meant that the pupil shall be brought into as close touch as possible...
