A good prep is very important. do not move when the ink is not reading rehearsal. heart. eyes. mouth is not enough. must be to hand. Symbols in the text using a pen while being read to punctuate comments. the contents of their own perception of the text down. Song Dynasty scholar Zhu Xi like to use when reading to do a variety of colored pen mark. he said that this could gradually elite to find a place inside. Second. the emphasis on quantity and quality. into the true nature of self-read not only focus on quantity. quality should also pay attention to reading. to actually read. read independently. Reading. to read out their true nature. or crying. read. or read a smile. really into the book itself. it's only reading. Third. there is poetry and literature abdominal gas from China. and dared to question asked to recite in the accumulation of knowledge and deepen the experience is an important form. China's traditional language teaching. attached great importance to recite. Of course. rote learning is undesirable. However. we can not deny the feasibility of recitation. Recitation of knowledge can be stored. and accumulated experience. If you can memorize dozens or even hundreds of the first poem. and has dozens of name of the text by heart. then through any body odor. will continue to deepen understanding. and thus improve the overall quality of language and literacy. Contents: The first unit of perception of life in the mountain side 1 2 step. another step short two cicada shells 3 4 5 playful purple wisteria waterfall This is my second unit of ideals...
