Brand New Book ***** Print on Demand *****.Rascal Rabbit is a bright, lime green character with an environmental social conscience. He seems to always be busy playing tricks on others and stirring up trouble. But in the end, it s all because he has a big heart and wants to help the hungry. He is joined by CAT and Racky Raccoon on a funny, but sometimes serious adventure of understanding where everyone s food comes from and how helping each other out makes us all feel good about life. Rascal Rabbit s escapades teach empathy, touch on environmental issues, such as organic food, and provide children of all ages with an endearing character who wants to help others and save the planet.
