This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Topics include: Talking to clients about the data Discovering trends, outliers, and patterns Designing with mood boards and wireframes Launching and promoting your infographic The book, written by Justin Beegel, MBA, founder of Infographic World, Inc. , describes the elements of a successful infographic, and stresses the must-have ingredients that get your data noticed.
