## A HISTORY OF INDIAN MEDICAL LITERATURE

Egbert Forsten Publishing, 2002. Hardcover. Book Condition: New. First edition. Ayurveda, the science of (long) life, or Indian classical medicine is one of the major traditional medical systems of history, beside the Hippocratic (upon which both the early Western and the Islamic medicine were based) and the Chinese systems. From ayurveda is further derived the Tibetan medicine, now often considered as an independent system[1]. All these traditional systems contain a theoretical basis with (sometimes erroneous) ideas of anatomy and physiology....
