An Encyclopedia of the Violin

By Alberto Bachmann

Da Capo Press Inc. Paperback. Book Condition: New. This item is printed on demand. Paperback. 488 pages. This encyclopedia is the diverse lexicographic work available in the English language and provides a treasure trove of information on the violin's technique, its history, and its place in music. Beginning with the 1880s, the work traces the evolution of violin technique, examines its construction and manufacture, lists makers in America and Europe, offers a biographical section on chamber music ensembles with rare photographs, and presents a glossary of music and musical terms. This Da Capo paperback features a new preface by noted concert violinist, Stuart Canin. This standard handbook for professional musicians and students will interest all those with a love for music. This item ships from La Vergne, TN. Paperback.
