Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

Brand New Book ***** Print on Demand *****.Excerpt from Modern American Prose Selections As the reader, if he wishes, may discover without undue delay, the little volume of modern prose selections that he has before him is the result of no ambitious or pretentious design. It is not a collection of the best things that have lately been known and thought in the American world; it is not an anthology in which all our best authors are represented by striking or celebrated passages. The editor planned nothing either so precious or so eclectic. His purpose rather was to bring together some twenty examples of typical contemporary prose, in which writers who know whereof they write discuss certain present-day themes in readable fashion. In choosing material he has sought to include nothing merely because of the name of the author, and he has demanded of each selection that it should be of such a character, both in subject and style, as to impress normal and wholesome Americans as well worth reading. The earlier selections - President Roosevelt's noble eulogy upon Lincoln, Secretary Lane's two addresses on American tradition and heritage, and Governor Coolidge's address at Holy Cross - remind the reader of the high significance of our national past and indicate the promise of a rightly apprehended future.
