OLD SPAIN AND NEW SPAIN (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Old Spain and New Spain There is a luck in being born. It must have been a good star that shone upon the day of my birth, since it was the same in which you came into the world, for which you are sometimes pleased to speak of me as a twin-brother. But I can only think of you as an cider brother, conceding to you the precedence by which you got the start of me at the very beginning of life, and have kept it ever since. I have always looked up to you as both an older and a wiser man, and have been content to follow in your steps. One of the good ways in which you have gone before, and I have followed after, has led me to the pleasant land of Spain, of which you have mitten in such a delightful manner as almost to discourage further description, except that the field is so rich that there is always something for the latest gleaner. As you look back lingeringly to those receding shores, you may welcome even these light sketches of a land that is dear to us both. And now, as we began the race of life together, let us keep on with even pace to the end, to lie down at last on the warm breast of the same grand old Commonwealth, you by the sea and I among the hills, content if it may be truly said that we were not unworthy sons of such a mother.
