In its press release announcing the hearing, the committee stated that the hearing would include (1) the Administration s proposal to cap the amount of employer-provided medical care that may be excluded from an employee s income and (2) the public policy and tax compliance implications of the present law tax treatment of other statutory and nonstatutory fringe benefits and the effect of the moratorium on fringe benefit regulations which is scheduled to expire on December 31, 1983. The first part of the pamphlet is a summary. This is followed by a more detailed overview of Federal tax treatment of certain statutory and nonstatutory fringe benefits, including the Administration s proposal to cap the exclusion...
