Brand New Book ***** Print on Demand *****.I found this book to be extremely enriching and truly inspirational. Jean Sandfort, N.J. / Wife, Mother, Grandmother, Retired Police Secretary I loved the bookeasy read with the truth!!! Love you Dr. Rachel you Rock!!! Tabitha McLean, Bklyn., N.Y. / Wife, Mother, Entrepreneur While reading From Caterpillars to Butterflies, the answer to a question I often ask myself became apparent. What happened to our girls? They act like boys, they talk like boys, and I find the situation disheartening. There is no femininity, no daintiness. What has gone wrong? In this book I see sage advice and kudos to Dr. Lewis, for passing along these pearls of wisdom using Bible text. One need not be a Christian to appreciate this good common sense, a must read book. Staffan Bryant, E.O., N.J. / Project Consultant, Manager Ladies ask me why haven t I gotten married and your book puts the finger on my reasons. More females and dudes should read this book, I m so glad you said the things needed to be said. Bruce Williams, ALT., GA This wonderful book is for us young women and men trying to find our way (the right meaningful path). It helps us make the right choices because that is what life is about. Najah Amani Jinks, Greensboro, N.C. / Mother, CNA Nurse I enjoyed your book and purchased copies for friends as gifts-a must read for men and women. R. Jackson, N.Y.C. /Building Contractor.
