Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

If Indiana Jones had a sister, it would definitely be historian Jaya Jones. - Suspense Magazine When historian Jaya Jones receives a mysterious package containing a jewel-encrusted artifact from India, she discovers the secrets of a lost Indian treasure may be hidden in a Scottish legend from the days of the British Raj. But she's not the only one on the trail. From San Francisco to the Highlands of Scotland, Jaya must evade a shadowy stalker as she follows hints from the hastily scrawled note to a remote archaeological dig. Helping her decipher the cryptic clues are her magician best friend, a devastatingly handsome art historian with something to hide, and a charming archaeologist running for his life. When a member of the dig's crew is murdered, Jaya must figure out which of the scholars vying for her affections might be the love of her life-and which one is a killer. Part of the Henery Press Mystery Series Collection, if you like one, you'll probably like them all! Praise for ARTIFACT: Pandian's new series may well captivate a generation of readers, combining the suspenseful, mysterious and romantic. Four stars. - Romantic Times Book Reviews How wonderful to see a young, new writer who harks back to the Golden Age of mystery fiction. Artifact is witty, clever, and twisty.
