Edward & Dee. 1 Paperback(s), 2013. soft. Book Condition: New. In 8th-century Irana place where empires have always collidedNanidat Maniakh enjoys the good life as head of a powerful silk dynasty, until he returns home to find his world torn apart by murder and revolution. Overnight, this charming merchant must become a warrior and spy, eluding assassins, negotiating with kings, and leading mercenaries into battle, all while unraveling the mystery of a long-lost love. This first book in the Silk Road trilogy by Dmitry Chen (Russian journalist and author Dmitry Kosyrev) was hugely popular in Russiaa richly detailed historical thriller that vividly re-creates a lost world."Not only a best-selling tale of action and adventure but also a surprisingly poetic book, and in that unexpected coupling of poetry and hard-bitten thriller lies all its charm. Chen's books are of course easy to read, but they are also irreproachably historically accurate and literally bursting at the seams with offbeat and often eye-opening information."Diplomat 363.
