William Sheehan again digs deep into British military archives to unearth the official history of the Irish War of Independence on the streets of Dublin, from the 'Dublin District Historical Record', here published for the first time. His doctoral thesis was published in 2011 under the title, *A Hard Local War: The British Army and the Guerrilla War in Cork 1919-22*. He is one of the leading historians on the Irish War of Independence, and an expert on the British's army campaign in Ireland from 1919 to 1921. A light weight book. Postage...
