Reviews

These kinds of pdf is every thing and helped me searching ahead and much more. It generally does not expense an excessive amount of. You wont sense monotony at at any time of your time (that's what catalogs are for regarding should you question me).

(Prof. Angelo Graham)

THE GOTHIC TALES OF THE MARQUIS DE SADE

Peter Owen. 1 Paperback(s), 2011. soft. Book Condition: New. The notorious author of pornographic novels, the Marquis de Sade (1740-1814) was condemned as a sexual pervert and spent much of his life in prison; only in recent times has he come to be seen as one of the most misunderstood writers of his day. The stories in this collection are among his most accessible, from the dramatic novella *Eugenie de Franval*, in which a father's criminal passion for his daughter leads to intrigue, abduction, and murder, to comic tales like "The Husband Who Plays Priest," concerning a lecherous monk who finds a clever way to combine clerical duties with secular pleasures. De Sade's gifts as a humorist are well represented here, as are his particular delight in unusual marital situations. "This book is indispensable reading to de Sade enthusiasts, and is also the best possible introduction for those who are not yet familiar with [his] work." *Literary Review* 183.
