Immedium, United States, 2009. Hardback. Book Condition: New. 284 x 206 mm. Language: English . Brand New Book. The books that launched the hit cartoon! I've had the pleasure of reviewing all of the books in Meomi's wonderful Octonauts series, which are published by Immedium. I have to say, they just keep getting better and better, and the newest, The Octonauts the Great Ghost Reef is probably my favorite yet. Not only are the illustrations so cute I want to hang them on my walls, but the story is great, and it's educational. Even if children don't quite respond to the gentle socio-environmental message of learning to live in harmony with one's surroundings, the anime-inspired artwork and oodles of minute details bubbling around each page will have them deeply immersed in the fantastical undersea world. -American Library Association, Booklist This is the original book series that launched the animated TV show, which is now popular worldwide and broadcast on the Disney Channel in the USA. Discover the creative and fun stories where it all began! In their fourth adventure, the Octonauts travel to a large reef city where they discover this bustling destination has turned into a ghost town! The once colorful coral has turned an eerie white and homes lay empty. So the crew visit different reef...
