Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.JOHN RUSKIN, in a fine and famous passage, describes the effect of a first view of the Alps upon a young and sensitive mind. He was at Schaffhausen with his parents. We must have spent some time in town-seeing, he writes, for it was drawing towards sunset when we got up to some sort of garden promenade-west of the town, I believe; and high above the Rhine, so as to command the open country across it to the south and west. At which open country of low undulation, far into blue-gazing as at one of our own distances from Malvern of Worcestershire, or Dorking of Kent, -suddenly-behold-beyond! There was no thought in any of us for a moment of their being clouds. They were clear as crystal, sharp on the pure horizon sky, and already tinged with rose by the sinking sun. Infinitely beyond all that we had ever thought or dreamed, -the seen walls of lost Eden could not have been more beautiful to us; not more awful, round heaven, the walls of sacred Death. It is not possible to imagine, in any time of the world, a more blessed entrance into life, for a child of such a temperament as mine.
