

One Night Stand

By Julie Cohen

Headline Publishing Group. Paperback. Book Condition: new. BRAND NEW, One Night Stand, Julie Cohen, Eleanor Connor may have written seventeen steamy novels, but her own life is more mundane. In fact, the nearest she comes to sex is having to listen through the thin walls of her house as her friend and neighbour, Hugh, makes love to an ever-changing stream of female conquests. But then one night she makes a one-night-only conquest of her own, only to wake up alone, a bit repentant, and as she later realises, very pregnant. Desperate to find her missing lover, if only to tell him he's going to be a father, she enlists the help of Hugh to help her search - but begins to realise that the perfect partner could have been right under her nose all this time.
