

Police Stories City of Roses (Paperback)

Filesize: 6.3 MB

Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Talia Cormier)

POLICE STORIES CITY OF ROSES (PAPERBACK)

Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.Ride with me in Portland, Oregon while I chase a stolen car into the Willamette River, catch burglars with arms full of stolen tools, and wrestle violent criminals. Portland is a large metropolitan city, where in one month, an officer may wrestle knives and guns from suspects, take bank robbery calls, intervene in dangerous drug busts, and chase drunk drivers and run away teens. Guns are commonplace. Knives are an everyday experience. Felony arrests are nearly routine. Police work is dangerous, threatening, exciting work, and rewarding work. Ride with me. When I applied for the position of police officer, an interviewer asked why? I replied, Because being on the street, in a patrol car, is where it s at! I still feel that way, but I can no longer be on the street in a patrol car. Wish I could. Perhaps, I wrote this book, simply, longing for what used to be, but it is only the good things for which we long, and being a police officer was nearly the best in the world. The title, True Police Stories mostly In the City of Roses, was carefully chosen as an attempt to explain that while these are true events, as they happened, they are not accurate police-blotter transcripts. Reading actual police reports would put you to sleep before you finished this single page of introduction. Ray Tercek, in, The Investigation of Pepe Chavez et al, used a word that, I think, sums it up. While these stories are true, I took license with them to make them interesting and to attempt to explain, to the non-police officer, what was happening. The stories in this book are all...
