Dimensions: 8.0in. x 5.0in. x 0.2in.If you are the type of person that doesnt like thinking, then you probably will have no interest in what I have written. My goal in writing this is to show that sometimes people take a bunch of ideas and then somehow treat them as being related. Often there is absolutely no connection between any of them but the tradition continues because people dont really have time to think things through, or they do but are discouraged when they ask difficult questions. If you have a question or comment, you can email me at: chandlerklebs@gmail.com Also, almost the entire content of what you find in this book is available for free at: chandlerklebs.wordpress.com Irrelevant I allow people to comment on any part of this book. This book is a compilation of various blog posts I have done. What all these posts have in common is that they are my opinions on how relevant different things in life are to me. As I learn more things, I have found that most of the things I spent my time thinking about were irrelevant. I expect this book to be an ongoing project. Since it is an open book project, the chances are that I will need to update it. This item ships from La Vergne, TN. Paperback.
