CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 100 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. This is a work of fiction in which a young man named Barak understands, through various experiences, the mystery of unleashing his talent thereby making him a better person in his life. Every person knows several good quotations and consistently have them in their memory, in fact they use them in their communications, both written and oral. In addition to these we keep learning about fresh ideas and new quotations constantly in our life. But, are we genuinely able to understand the true meaning of these quotations and are able to utilize these in our lives. In reality, most of the people generally do not understand the correct meaning of these great words and are not able to apply the actions recommended by the intended meaning in quotations. Some people, who are able to take the first step in implementing the message in their lives, usually do not achieve results due to half-hearted efforts. Every person wants to improve as it is a necessary element to get success in life. It is to be noted that self-improvement is not simple; it requires considerable motivation and commitment for execution to bring necessary changes in life. This complexity brings resistance in the people's behavior for the implementation of the idea and they find innovative ways and excuses to escape the message of the quotation. Several times a transformative change, in the life of a person, may start with pain before bringing any pleasure. Several people must have experienced this phenomenon. A classic quotation is believed to be delivering a right message. A quotation is time tested and is evolved over time with experiences of the various people in different generations....
