Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Normal Elementary Geometry: Embracing a Brief Treatise on Mensuration and Trigonometry; Designed for Academies, Seminaries, High Schools, Normal Schools, and Advanced Classes in Common Schools Progress in education is symbolized in the multiplication and improvement of text-books. They are showered upon us like the flowers of spring-time, until a new text-book is no longer a novelty. To-day the author sends forth this little volume on what it is hoped may be a mission of usefulness. It comes modestly claiming a welcome from the public as an addition to our educational literature, and in support of such claim the following statement of its object and peculiarities is presented. Our text-books upon Geometry, though well adapted to our higher institutions, are, for a large class of schools, both too voluminous and difficult. In many of our Academies, Seminaries, High and Normal Schools, the time allotted to Geometry is too brief to allow the pupil to complete more than four or five books of the ordinary text-book: in consequence of which. all of that most important
