

The Rebels of Ireland: The Dublin Saga

Filesize: 2.7 MB

Reviews

The ideal ebook i actually read through. It really is writter in simple words and phrases and not confusing. Its been written in an remarkably simple way and it is just after i finished reading this ebook where in fact modified me, affect the way i think.

(Alice Cremin)

THE REBELS OF IRELAND: THE DUBLIN SAGA

Ballantine. 1 Paperback(s), 2007. soft. Book Condition: New. The first volume of Edward Rutherfurd's epic novel of Irish history, *The Princes of Ireland*, ended with the disastrous Irish revolt of 1534 and the disappearance of the sacred Staff of Saint Patrick. This concluding volume opens with an Ireland transformed by the plantation of English noblemen on Irish soil, and the subjugation of the native Irish Catholic population. Rutherford takes us from Cromwell's imposition of the harsh anti-Catholic penal laws through various romantic and doomed attempts to overthrow the Protestant oppressors, the catastrophic famine, the mass migration to America, and the glorious Irish Renaissance of Yeats and Joyce, up to the rise of the great Irish nationalists and the birth of a free Ireland."Rutherford concludes his stirring Dublin Saga with a sweeping follow-up to his widely praised and popular *The Princes of Ireland*. Taking up where he left off with the ill-fated Irish revolt of 1534, he conducts the reader on a whirlwind journey through the often-twisted annals of Irish history. After the British conquest of Ireland is complete and the installation of the 'plantation' system tolls the death knell of Irish autonomy, the die is cast in a centuries-long political and spiritual quest for either independence or security. Told from the diverse viewpoints of several interrelated families, this epic recounting of the often tragic fate of one nation under two banners is transformed into an irresistible multigenerational chronicle featuring huge servings of romance, action, conflict, intrigue, and adventure. Ambitious in scope, teeming with a huge cast of finely drawn and realized characters, and dripping with authentic historical detail, this lengthy but eminently readable narrative will satisfy the appetites of discerning historical fiction aficionados."Booklist 863.
