Brand New Book ***** Print on Demand *****.Excerpt from Military Government of Porto Rico: From October 18, 1898, to April 30, 1900 Sir: I have the honor to submit the following report covering the general sanitary condition of Porto Rico, the work of the officers and agents of the superior board of health, and a detailed statement of all moneys received and disbursed by the board during the period from June 29, 1899, the day on which the board was constituted, until May 1, 1900, when the military government of Porto Rico ceased to exist: From the day our forces occupied Porto Rico until June 30, 1899, public sanitation was conducted under emergency conditions. Paragraph 1, General Orders 18, series 1898, abolished the subdelegation of pharmacy; General Orders 37, series 1898, established boards of health in San Juan and the various other towns of the island, and General Orders 28, series 1899, defined the licensing functions of the subdelegation of medicine. These are exclusive of various orders and circulars relating to the general vaccination executed under direction of...
