

Seamus Heaney as Aesthetic Thinker: A Study of the Prose (Paperback)

Filesize: 8.12 MB

Reviews

It is one of my personal favorite publications. It is actually really fascinating through reading through period of time. It has been printed in an extremely basic way in fact it is just after I finished reading through this ebook by which basically transformed me, change the way in my opinion.
(David Weber)

Syracuse University Press, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Seamus Heaney s unexpected death in August 2013 brought to completion his body of work, and scholars are only now coming to understand the full scale and importance of this extraordinary career. The Nobel Prize-winning poet, translator, and playwright from the North of Ireland is considered the most important Irish poet after Yeats and, at the time of his death, arguably the most famous living poet. For this reason, much of the scholarship to date on Heaney has understandably focused on his poetry. O'Brien s new work, however, focuses on Heaney s essays, book chapters, and lectures as it seeks to understand how Heaney explored the poet s role in the world. By examining Heaney s prose, O'Brien teases out a clearer understanding of Heaney s sense of the function of poetry as an act of public intellectual and ethical inquiry. In doing so, O'Brien reads Heaney as an aesthetic thinker in the European tradition, considering him alongside Heidegger, Derrida, Lacan, and Adorno. Studying Heaney within this theoretical and philosophical tradition sheds new and useful light on one of the greatest creative minds of the twentieth century.
