The Perseus Books Group, United States, 2010. Hardback. Book Condition: New. 239 x 160 mm. Language: English . Brand New Book. The father of Communist Russia, Vladimir Ilych Lenin now seems to have emerged fully formed in the turbulent wake of World War I and the Russian Revolution. But Lenins character was in fact forged much earlier, over the course of years spent in exile, constantly on the move, and in disguise. In *Conspirator*, Russian historian Helen Rappaport narrates the compelling story of Lenins life and political activities in the years leading up to the revolution. As he scuttled between the glittering capital cities of Europe from London and Munich to Vienna and Prague Lenin found support among fellow migrants and revolutionaries in the underground movement. He came to lead a ring of conspirators, many of whom would give their lives in service to his schemes. A riveting account of Lenins little-known early life, *Conspirator* tracks in gripping detail the formation of one of the great revolutionaries of the twentieth century.
