Atlantic Books. Paperback. Book Condition: new. BRAND NEW, Bad Elements: Chinese Rebels from LA to Beijing, Ian Buruma, Ian Buruma approaches China through the stories of its dissidents: ordinary, brave people who oppose a regime that uses repression in the name of social order. What does dissidence mean in an authoritarian society? And what chance do they have of succeeding in the face of the largest remaining dictatorship on earth? Who speaks for China? Is it the old men of the politburo or activists like Wei Jingshsheng, who spent eighteen years in prison for writing a democratic manifesto? Is China's future to be found amid the boisterous sleaze of an electoral campaign in Taiwan, or in the maneuvers by which ordinary residents of Beijing quietly resist the authority of the state? These are among the questions that Ian Buruma poses in this enlightening and often moving tour of Chinese dissidence. Travelling through the US, Singapore, Taiwan, Hong Kong and the People's Republic, Ian Buruma tells the stories of Chinese rebels who dare to stand up to their rulers, exploring their chances of success in the face of the most powerful dictatorship on earth. From the exiles of Tiananmen to the hidden Christians of rural China, he brings alive the human dimension to their struggles and reveals the world's most secretive superpower through the eyes of its dissidents.
