IMPOSING VALUES: LIBERALISM AND REGULATION (HARDBACK)

Oxford University Press Inc, United States, 2009. Hardback. Book Condition: New. 236 x 160 mm. Language: English . Brand New Book. A major question for liberal politics and liberal political theory concerns the proper scope of government. Liberalism has always favored limited government, but there has been wide-ranging dispute among liberals about just how extensive the scope of government should be. Included in this dispute are questions about the extent of state ownership of the means of production, redistribution of...
