St. Martin's Griffin. Paperback. Book Condition: New. Paperback. 224 pages. Dimensions: 8.3in. x 5.6in. x 0.8in. Hailed as a virtuosic one-woman show (Time Out New York) this New York Times Book Review Editors Choice pick tells the funny and poignant story of the year the author ran away from college with her idealistic boyfriend and followed him to Nicaragua to join the Sandinistas. Despite their earnest commitment to a myriad of revolutionary causes and to each other, Deb and her boyfriend find themselves unwanted, unhelpful, and unprepared as they bop around Central America, looking for revolution jobs. The year is 1987, a turning point in the Cold War, although the world doesn't know it yet, especially not Unferth and her fianc (he proposes on a roadside in El Salvador). The months wear on and cracks begin to form in their relationship: they get fired, they get sick, they run out of money, they grow disillusioned with the revolution and each other. But years later the trip remains fixed in her mind and she finally goes back to Nicaragua to try to make sense of it all. Unferth's heartbreaking and hilarious memoir perfectly captures the youthful search for meaning, and is an absorbing rumination on what happens to a country and its people after the revolution is over. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
