Brand New Book ***** Print on Demand *****.The Dhammapada (Pali; Prakrit: Dhamapada; Sanskrit Dharmapada) is a versified Buddhist scripture traditionally ascribed to the Buddha himself. It is one of the best-known texts from the Theravada canon. The title, Dhammapada, is a compound term composed of dhamma and pada, each word having a number of denotations and connotations. Generally, dhamma can refer to the Buddha's doctrine or an eternal truth or righteousness or all phenomena ; and, at its root, pada means foot and thus by extension, especially in this context, means either path or verse (cf. foot (prosody)) or both. English translations of this text's title have used various combinations of these and related words.
