Reviews

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

A mother loses her young daughter, and a beloved wife meets an ex who was the love of her life. A daughter tries to unravel her acrimonious relationship with her mother, and life unravels for a maid caught between her husband's insatiable greed and loyalty toward her employer, while a married woman is left to pick up the threads after an unraveled extramarital affair. And it slowly spins back into control for a woman who is finally able to find closure after a traumatic marriage. Preeti Singh's repertoire of work includes children's books for Disney Publishing and other Indian publishers. Unravel is her first book for adults.
