

Carmen The Art of the Novella

Filesize: 1.01 MB

Reviews

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

Melville House. Paperback. Book Condition: New. Paperback. 64 pages. Dimensions: 6.9in. x 4.9in. x 0.4in. The novella that was the basis for perhaps the most popular opera of all time, Prosper Mrimes Carmen is the swashbuckling story of a nineteenth-century Spanish soldier who deserts his post to pursue the fiery gypsy beauty, Carmen who is as brave as she is fickle. The operas plot, it turns out, is based only on part of the larger adventure that is Carmen. The story opens, for example, with the narrator, a historian like Mrime, researching the lost site of an ancient Roman battle on the plains of Andalusia, when he meets a notorious bandit, Don Jos Navarro, on the run from the law. Feeling a certain sympathy for Don Jos, whose face is at once noble and fierce, and a vicarious thrill at this brush with danger, he helps the bandit to escape. When they next meet again, Don Jos is in jail in Cordova, due to be hanged for his crimes. In his last days, he tells the narrator about a wild gypsy woman he met back in Seville . . . What follows is an iconic and highly entertaining tale of doomed passion full of chases, sword fights, bullfights, smuggling, wild dancing, and more except no mezzo-sopranos. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
