Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This Federal Emergency Management Agency (FEMA) Incident Management and Support Keystone establishes the foundational doctrine that guides FEMA s conduct of disaster operations and is the primary document from which all other FEMA disaster response, recovery, mitigation, and logistics directives and policies are derived. It describes how the response doctrine, articulated in the National Response Framework (NRF), and recovery doctrine are implemented in the context of FEMA incident management and support operations. This Keystone is fully in line with the National Incident Management System. Incident Management is the incident-level operation of the Federal role in emergency response, recovery, logistics, and mitigation. Responsibilities in incident management include the direct control and employment of resources, management of incident offices, operations, and delivery of Federal assistance through all phases of emergency response. Incident Support is the coordination of all Federal resources that support emergency response, recovery, logistics, and mitigation. Responsibilities include the deployment of national-level assets, support of national objectives and programs affected during the disaster, and support of incident operations with resources, expertise, information, and guidance. This keystone document describes...
