The French Revolution: A Very Short Introduction

By William Doyle

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, The French Revolution: A Very Short Introduction, William Doyle, Beginning with a discussion of familiar images of the French Revolution, garnered from Dickens, Baroness Orczy, and Tolstoy, as well as the legends of let them eat cake, and tricolours, Doyle leads the reader to the realization that we are still living with developments and consequences of the French Revolution such as decimalization, and the whole ideology of human rights. Continuing with a brief survey of the old regime and how it collapsed, Doyle continues to elucidate how the revolution happened: why did the revolutionaries quarrel with the king, the church and the rest of Europe, why this produced Terror, and finally how it accomplished rule by a general. The revolution destroyed the age-old cultural, institutional and social structures in France and beyond. This book looks at how the ancien regime became ancien as well as examining cases in which achievement failed to match ambition. Doyle explores the legacy of the revolution in the form of rationality in public affairs and responsible government, and finishes his examination of the revolution with a discussion as to why it has been so controversial. Reviews

I actually started reading this publication. It is full of knowledge and wisdom You wont sense monotony at at any time of your respective time (that's what catalogs are for relating to should you check with me).

-- **Vilma Bayer III**

Absolutely among the best publication I have got at any time go through. It really is writter in straightforward phrases rather than hard to understand. Its been designed in an extremely straightforward way which is just soon after i finished reading this publication through which basically modified me, alter the way i believe.
