Brand New Book ***** Print on Demand *****.This book is the best introduction to getting free money scholarships and grants. It is a must read for the parents of college-bound high school students who don't want to blow all their money on college tuition and expenses. Parents of college-bound high school students often ask when the best time is to get free money in the form of scholarships and grants to help pay for college. The answer is simple, but how you get to the answer is not. The best time to get the free money you are seeking to help pay for your students college education is January, February, and March of their senior year. That's the time when the colleges and universities are flush with scholarship and grant money. When the free money gets low, or is gone, it naturally becomes increasingly difficult to get any free money. In fact, if you wait too long, the only way to get money for college is through student loans and parent loans. This is an easy (but unbelievably expensive) way to pay for college. Why? It's expensive because you (or your child), could easily pay an additional \$50,000 to \$100,000+ in interest and finance charges. The not so simple answer to this question often shocks parents: Your best chance of getting the big money actually starts between the 7th and 10th grades. Some parents gasp when they find out. That's because they think that the 11th grade is the appropriate time to start planning for college. In the old days this was probably true. However, today everything has changed. The cost of college is much more than it...
