Brand New Book ***** Print on Demand *****.Come on a Journey with me and explore seven postures, and their spiritual parallel to seven attitudes of a Christian. We will go from laying down and resting securely in God's presence, to sitting at Jesus feet for instruction. Feel the attitude changing posture of standing against the Devil, then learn to walk daily in the presence of God as we feel his sunlight warming and illuminating our path. Then we will put on our running shoes as we join the Christian race and share the Gospel. Jumping through the air, we will learn to express our joy and elation daily as we explore the posture and attitude of Leaping for ecstasy. We will end our journey by mounting up with wings as eagles to soar high above our every day cares of this world.
