

Stagecraft Fundamentals Second Edition: A Guide and Reference for Theatrical Production

By Rita Kogler Carver

Focal Press. Paperback. Book Condition: New. Paperback. 512 pages. Dimensions: 10.7in. x 8.5in. x 0.9in. Stagecraft Fundamentals Second Edition tackles every aspect of theatre production with Emmy Award-winning author Rita Kogler Carver's signature witty and engaging voice. The history of stagecraft, safety precautions, lighting, costumes, scenery, career planning tips, and more are discussed, illustrated by beautiful color examples that display step-by-step procedures and the finished product. This second edition offers even more in-demand information on stage management, drawing and drafting (both by hand and CAD), lighting fixtures, and special effects. Also new to this edition are current articles from Lighting and Sound America, brand new diagrams that illustrate hard-to-grasp concepts, and a plethora of information on European conversions, standards, and practices, making the skills you learn applicable to stage jobs on either side of the ocean! The accompanying website, www.stagecraftfundamentals.com is bursting with additional material such as an instructors manual, CAD drawings, color theory, manufacturing information, and so much more to help you along the way as you learn all about the world of theatre production! Praise for the Book: Beautifully written! The author has succeeded in relaying technical theatre information without being too technical and putting the reader...
