Language: English Brand New Book ***** Print on Demand *****.Excerpt from Sunday-School Problems: A Book of Practical Plans for Sunday-School Teachers and Officers If you are looking in this book for a systematic treatment of the subject, for big words and philosophical analyses, I am afraid you will be disappointed. But if you want to know what practical Sunday-school workers have found helpful in solving the principal problems of their work, I hope you will be aided by these pages. This book is a record of my thoughts and observations on the Sunday school during the past seven years. Its various chapters have already enjoyed, separately, a wide reading. They have appeared in The New Century Teacher, The Sunday-School Times, The Pilgrim Teacher (Congregational), The Baptist Teacher, The Westminster Teacher (Presbyterian), the publications of the British Sunday-School Union, and addresses before various Sunday-school conventions, the American Bible League, and the Religious Education Association.
